**Ramona L. Wong** sent a virtual gift in honor of Stewart.

I just learned of Stewart's passing. He came to the Aloha Kidney classes, where I share what I have learned about kidneys, health and life. He heard I love mango and he was so kind to share many from his Hayden and his cousin's Pirie tree for years. He knew I love ducks so he shared his knowledge of chicken raising, health and nutrition. I love gardening and as a master gardener, he shared knowledge, resources, seeds, plants, including a mango sapling which started to bear fruit this year, which I wanted to share with him, but in looking for him, I learned of his passing. I am so grateful for him. Such a kind, soft spoken, generous and smart soul. He will always hold a place in my heart. A hui hou, Stewart. Peace be with you always. Deepest condolences to your family, I know they miss you dearly. Ramona Wong
