Precious Athena Burnos Foronda

SEP 21, 2021 - SEP 21, 2021

This is to acknowledge the life of Achilles Troy and Precious Athena Foronda born to Domingo and Norlyn Foronda on September 21, 2021. Achilles Troy was born at 1:48 am, weighing 1 pound, 6.1 ounces and he was 11 ¼ inches in length. Precious Athena Foronda was born at 1:50am, weighing 1 pound, 4.8 ounces and she was 11 inches in length.

The Foronda twins were born joining siblings Alexander James, Domingo II and Princes. Despite their short time on earth, both were deeply loved and brought immense joy to those around them since the pregnancy announcement of their parents. Sadly, Precious Athena passed away 10 hours after she was born, and Achilles Troy passed away the following day in the embrace of their family on September 22, 2021.

The twins will be forever in our hearts remembered and loved by their parents; Domingo and Norlyn, their siblings Alexander James, Domingo II and Princess; their four grandparents, their four aunts, five uncles and their 14 cousins.

Memories only last if you share them

Join us in honoring Precious Athena by contributing to a collection of shared memories.
