Mom I miss you everyday! I cannot clearly see my tomorrows without you there, you made everything so easy for us and there was always a safe place in you. You are truly missed. I know God is pleased with you because the out pouring of love by all the people you knew shined through like a rainbow 🌈 confirmation of the kind of person you were here, your kindness towards all people from different walks of life made you so loved and it makes my heart smile. You have done so much for so many and for that mom you deserve your rest. Rest in Love Mom, See you soon.♥Lene

There are no words that can be expressed of how much you will be truly missed. Your warm and kind ways was just the nature of who you were but there's the other side eh no futta round 😊😊 I'm glad we share alot of things and I know Marcus will truly miss you alot. No matter where he was stationed in the world he would always ask about you when he texted me. And I'm glad he had the chance to talk to you and appreciated everything you sent for him to Alaska. I will miss your craziness but I will also miss your humor and your warm personality. I know the memories of you will live on forever to everyone you had a part in there lives. To all your children Ivan, Brad, Lene, Wes, and Johnny girl my deepest condolences and prayers of comfort during this time. Norinne you may be gone but you will never be FORGOTTEN. Aloha Pumehana, A hui hou until we meet again. 🌸🌸🌸🌿💜💛
