**Susan Tharaldson** posted:

I remember my first cousin to have been beautiful and always kind to me. I was younger and in awe of her. She asked me to be a junior bridesmaid at her wedding. I have thought of her often throughout the years hoping she was living a good life. My condolences on your loss. Susan Ciesinski Tharaldson

I still have her last message on my phone, and I regret that I let too much time pass before thinking of calling her back. She was a dear, online friend for over 20 years. We spoke on the phone and we chatted in messenger. I will remember her as kind, positive, funny, and loving, and I feel enriched having known her even while never having seen her in person. We believed we had a soul connection. I am so sorry for your loss.
