Due to family circumstances I was not privileged to be invited to mom's life celebration. I would like to share with you. My mom was the best! She raise five kids many days without my fireman dad, making sure we made it to all of our football, basketball, baseball game etc. there would be times we played on different teams, and different fields. She helped us by volunteering as a Cub Scout den mother or on the PTA and at Sunday school as a teacher. She loved all her family and all her friends. In the morning when asked, how she was doing? She would answer I'm kicking today not as high! After Cherie passed, she would always ask me how I was doing? She would always answer, that's what family is for, to help one another! My mother also enjoyed helping all her family and all her friends by always making them feel special and at home! She was always my, her family and friends sounding board! Her wisdom is unmatched and will be missed more than her ono peanut brittle, sushi and her one ton! Aloha Kim 🖋️
