A man who loved God and people unconditionally and loved the Sisters of St. Francis and trusted them . He was full of laughters; smiles; joy ; jokes. He was full of dreams for the growth and development of St Francis Healthcare System. He loved every body . He was full of great hope for St. Francis Healthcare System. I used to enjoy his presentation of his plans for St Francis healthcare system's development. He was a man of prayer. He will be missed. We loved him. May he rest in peace forever. We thanked God for gift of Jerry among us.
