Dearest Family, my heart is broken even more since I've lost my husband who called you Ponczek, my brother and now my niece all since April 30, 2022. You lost your daughter, sister, wife, mother and grandmother at a very young age. I'm praying that you're remembering many funny things and these are your healing memories. I look forward to giving each of you a hug filled with love. Sending you blessings and love. Auntie Vicha with Uncle Leo in Spirit
