Uncle Mel, coming to Hawaii will never be the same without you and Aunt Meli. I love you and will forever miss you both. My favorite memory of you is the summers I was there with Aunt Meli and going to the games with you guys. Also remembering how you was such a hard worker providing for your family. I remember looking out the window at the house in Pearl city when we would hear the mail truck and Aunt Meli would wait for you to come home on lunch so she can make you your lunch. You would eat lunch, read the paper then go back to work. You would sit on your recliner after a long day of work watching the news with aunt Meli. You out watering the plants in the morning and night with Aunt Meli. Thank you for everything Uncle Mel, I hope you guys are having a big celebration reuniting with your wife and all our family members up there. I will miss our lil talks when calling to speak with my sister Leone and you. Ia Manuia lou Malaga Uncle Mel. I love you always!

Dearest Dad you are the best dad anyone could ask for!!!: 1: I will treasure everything you have taught me. People say you did a great job raising our family!!! If they listened to you? 😊 you were a great husband, dad, grandpa, friend, brother, and son to many people!!! Also a hard worker, never complained, fought your sickness for 15 years, and never wanted to make humbug!!! I will definitely miss our morning breakfasts, watching Jeopardy, playing cards and our get togethers on holidays!!! Please take care of mom and the rest of our family in heaven!!! Continue to celebrate!!! Hugs and kisses to all!!! 😊 until we meet again!!! Miss and love you!!! 😊 your favorite daughter 😊 Donna ❤️ ❤️
