Aunty had a heart of gold. I've been married to my wife (Raynell Brown) for 35yrs; an she always spoke of her two Aunts who was there when she needed a Mom who cared. Aunty was one of them! My wife would say when she was not having a so good time at home with her own mom. Aunty would come an take her so she could have that space to breathe & to be loved. Aunty was one of my wife's saviors. Aunty You Will Always Be Part Of My Family's History. An I will always have a photograph of you in Our Home(to honor you) Lots of Love and Aloha your Love Bugs 🐛

My Aunty was my MOM when I needed one. Aunty is loving & giving. You will be missed dearly but NEVER FORGOTTEN. Anytime I needed to be saved or needed a break my Aunty came just at the right time to scoop me up & take me home with her. I would help her take care of my little baby cousins & just enjoy her company. Your my forever Angel like you were for me in life. No matter what was going on in her own life my Aunty made sure I was felt loved. Until we meet again on the other side. I LOVE YOU WITH MY ALL... 💜💜💜💜💜
