Aloha, I knew Aunty Ivette, she was our bus driver and then Jaz and I became friends in school. I would always talk story and laugh with Aunty Ivette. I'll remember her beauty, her laugh, her accent and all her stories. Her words of encouragement and her sass. I enjoyed running into her and her always remembering me from school. I never knew she'd remember after all that time but I always remembered her. She's was a beautiful soul. May she rest in eternal peace. Alabanza Dona Ivette

Yvette was a woman of God, my favorite times with her was when we had our women's Bible study. We had so much fun. She had a genuine love for her family, especially for her children and grandchildren. She will be missed RIL my dear sister.
