Too many emotions to describe this pain. Nana Marina was the best great-grandmother I had and forever will be. She was such a brave, strong, and caring person to the family. Wish I got to spend more time with her. It seemed like it was her time to leave because she is truly a chosen angel. I miss you so much, Nana. 💜

When Nana Marina goes to shopping, she always shop with fashion in style. She likes jewelries and cute outfits. I enjoyed going shopping together and will find good buys. Lastly, I will think of her everytime when I shop now.
