Lola Tripp lit a candle in honor of Gordean.

Kuulei always would have my parking spot ready when I would come to Valley of the temples in my big bus. She always had coffee cakes that she picked up to give to me and always was so happy to give it to me and I loved it. She always will make sure I have snacks and give me tuna rolls from 7-Eleven which I just love. She's going to be very missed. I am very thankful I got to be friends with her and have her in my life, even though it was for a short while.
