...just now learned of this, myself! Sister Summers served with me in the Waimanalo Ward YW presidency. Our family was new to the ward, and she and her family members were a big part of our feeling welcomed there. We have all known a true disciple of God in knowing her, and all of our lives are better after having been touched by hers. My condolences go to her sweet family. She must surely be pleased with how her children have carried on her legacy, and Keith must sorely miss her, maybe most. Shining lights have a way of shining on, so, I'll say again, we're all blest for having known Kathy Summers. Much Aloha, Juanita Lam

She was the most humble, caring woman. Her bread brought love and warmth to the world. I loved seeing and hearing her children as they shared stories of their mother at her Celebration of Life. What wonderful adults you have become. Denver First Ward members will never forget you all!

Kathy was the only person on this planet (my world) who sat down to talk on the phone with you and she made you feel like you were the most important person in the world. I loved her. Cathy Bissett (Bates)
