Hi Karl and Guy - I know this is late but I wanted you to know that I was sad to read about your mother's passing last December 2023 and wanted to express my condolences. Thank you for printing the announcement in the newspaper. I can still remember the 1st time Rod and I flew to Honolulu with my Dad, we stayed at your Woodlawn home and it might have been before you two were born. Your Mom and Dad also babysat our eldest daughter Dawn when she was just a few weeks old; it was the first and last time they offered. Guess I have a lot of fond memories of your parents and both of you. Hopefully, our paths will cross sometime soon. In the meantime, all the best to both of you and your families. Wes Segawa
