# Fesoloai Atagi

JUL 15, 1966 - APR 11, 2024

**W**ith heavy hearts, we announce the passing of Ms. Fesoloai Atagi, a beacon of love and strength, born in the serene town of Haleiwa, Hawaii. She departed from this world on April 11, 2024, in Honolulu, leaving behind a legacy of warmth, compassion, and enduring love.

Ms. Atagi was a devoted mother to her three daughters, Puaolena, Chandrie, and Leia Trice. Her life was a testament to the power of maternal love, her nurturing spirit, and her unwavering dedication to her family. She was their fortress, their guiding star, and their endless source of comfort.

Her journey through life was marked by her infectious smile, her generous heart, and her ability to make everyone around her feel cherished. Ms. Atagi's presence was a gift to all who knew her, and her spirit was as vibrant as the Hawaiian sunsets she adored.

As we bid farewell to Ms. Atagi, we find solace in the memories she leaves behind—memories that will continue to bloom like the hibiscus flowers of her beloved Hawaii. Her daughters, the embodiment of her spirit, will carry forward her legacy of kindness and grace.

The Atagi family is grateful for the outpouring of support and love during this difficult time. A celebration of Ms. Atagi's life will be held in private, surrounded by the family and friends whose lives she so beautifully touched.

May she rest in peace, as her memory lives on in the hearts of those she loved.

My sister-in-law was a beautiful person inside and out. She loved being around family and friends. She once drove 26 hours or more several times just to come to family members birthday party graduation, that is how much she loved family. Always in my heart and memories. ❤️ Danny

I met Sai while she was visiting her sister Sa in Augusta, Georgia, I was drawn to her funny sense of humor. I told her to slow down. She was telling me about her love for traveling. I could tell that she enjoyed her life. I say best in those memories that you all made. Thanking God for a blessed life. Ruth Young
