I very know Bert since he was born, he was a great 1st birthday present. Although we were cousins we grew up together and more like brothers than cousins. It was a great life together and I miss you as much today as they day you left. See you again, Love ya little brother. Keith

We have been friends with Bert for 40 years. He was our next door neighbor in Kailua in the 1980's. Over the years we kept in touch by phone and through many visits, always coming back to Kailua for vacation and always looking forward to hosting Bert wherever we were living. Bert was a generous, helpful friend. He was a hardworking man who took great care of his family above all. He was also great company with his entertaining attitude. We will cherish our memories of Bert and wish his family well. We will miss him. Art and Kathleen Morgan
