# Virginia May Maldonado

JUL 9, 1954 - MAY 10, 2024

**V**irginia Maldonado, a beloved homemaker and foster parent, passed away on May 10, 2024, at the age of 69. Born on July 9, 1954, in Honolulu, Hawaii, she touched the lives of many with her kindness, love, and unwavering dedication to her family.

Virginia is survived by her devoted husband, Ruperto, with whom she shared 45 years of marriage. Their bond was a testament to enduring love and companionship. Virginia leaves behind two cherished daughters, Julianna and Roberta. Her love for them knew no bounds, and she took pride in their accomplishments and happiness. Virginia's siblings—Alice (Richard), Rudy (Quadry), and Ernest—were an integral part of her life. Their shared memories and support sustained her throughout the years. Virginia's legacy lives on through her three beloved grandchildren: Alexis, Ashley, and Alycia, who brought immense joy to her heart. Virginia's nurturing spirit extended beyond her immediate family. As a foster parent in her younger years, she provided a safe and loving home for children in need, leaving an indelible mark on their lives. Her selflessness and compassion made her a pillar of strength in the community.

Friends and family will gather to celebrate Virginia's life and honor her memory. Her legacy of love, resilience, and kindness will forever remain in the hearts of those who knew her.

May Virginia rest in eternal peace, surrounded by the love she so freely gave to others.

A memory that I will always remember is when she would wake me up as a kid in the morning with her soft touch and put on Mickey Mouse Clubhouse and she made the best breakfast and always made me and my sisters hot chocolate even if it was just Nesquick she made it taste magical and with whipped cream. I will always remember how she would take us out as kids and she would put on her bright red lipstick. With many other memories i will always remember I love you grandma and i will miss you forever.
