Pastor Toma, Sister Taulau, Tinu, Preston, and extended family sending condolences. Your family are in my prayers. We were a part of Calvary in 1996 - 1999. So many memories of youth night, when Jordan and his friends would play music. It was so loud. I remember one day Canaan was about 3/4 years old. He wore a suit coat to church. I came out to the vestibule, Jordan and David were messing with Canaan, They were pointing at his suit jacket laughing. Canaan was hiding behind the door, sticking his tongue out at them. I shared this next memory with Sister Diane. One day we had a church picnic. They decided to play baseball, they put me Sister Tutson in 3rd base. They must have been desperate. The first batter was none other than Jordan Taulau. They pitched, Jordan hit the ball so hard and fast towards 3rd base. I screamed and threw my glove up to protect myself, in doing so I accidentally caught the ball. I looked in my glove saw the ball. I was sooo shocked, I could only show I caught the ball. Jordan was just as shocked, he told me you caught it. All the came out of my mouth was ' yes! Your out buddy' he just smiled and walked off the field. There are so many more memories of Jordan, as I am sure this is so with many people. When one of those memories pop up in my head, I will just smile and Thank Jordan for the memory. I will remember him as a nice, quiet, kind young man. Calvary Church family, Thank you so much for the wonderful memories. May Jesus strengthen and Bless you. Sister Tutson
