Deedee & Bob posted:

What a blessing Ador and you have been to our lives! We know we have told you both this many times, but we want the world to know this too. Ador's strong, gentle, quietness will be missed. As the saying goes, "he was ready for his wings, but our hearts were not ready for him to go" I'm sorry we cannot be there to hug you and share in your grief, but we are sending our love. Deedee & Bob Barrios
