This morning's celebration of life for my beloved ❤️ Gan-ma (Godmother) exemplified the tremendous love felt across the room. Our families grew up together on Oahu 🌺 and shared many cherished fond memories! Gan-ma was the patriarch of her family and always knew how to have fun and be silly, all while bringing people together over a delicious shared meal. She will always be remembered for her infectious smile, her unwavering generosity and caring heart. We miss her immensely! Love and Peace 🌻 Sincerely, Virginia Tung and Family

Dear Yu-Jen, Ti-Jen and Mark, My deepest condolences to your family. I have such fond memories of her as far back as from when we were kids. She was such a warm, kind-hearted, and generous woman. I remember helping her at the shop one summer when I was back from university and how patient she was with me trying to practice my mandarin with her. She had such a gentle soul and warm smile. She will be missed dearly by our family.
