## **I**n Loving Memory of Romie Agliam October 8th, 1950 – February 10th, 2025

Our hearts are heavy as we say goodbye to our beloved Romie, who passed away on February 10th, 2025, in Pearl City, Hawai'i.

Born on October 8th, 1950, in Laoag, Philippines, Romie was the devoted husband of Ofelia and the loving father of his daughters — Jenny, Jeraldine and Megan — and his son, Jerome. He was also a cherished brother to his sisters Josie, Pureza, Celi, Marylou and Clarissa and his brothers Jun, Nestor, Edgar and Arthur.

Romie's compassionate nature and optimistic spirit touched all of us deeply. His love for 🍳 cooking filled our home with warmth and delicious memories. We'll never forget the joy of gathering around the table to share the meals he so lovingly prepared. He brought us together with 🎲 games that filled our home with laughter and friendly competition. His passion for ⚽ sports was infectious, and cheering alongside him created some of our happiest moments.

Intelligent and creative, Romie always found unique ways to make our lives brighter. His confident outlook inspired us to face challenges with courage, and his unwavering optimism reminded us to find the sunshine in every situation.

Though he's no longer physically with us, his spirit lives on in the love and memories we all share. We'll miss his warm smile and generous heart every day, but we'll carry his legacy forward in how we love and support one another.

Rest peacefully, Romie. You'll forever be in our hearts, and we will cherish your memory always.

**Ruben Madamba** lit a candle in honor of Romie.

I am deeply sorry to hear of Romie's passing. Romie has brought so much joy and laughter to all of us and he will be missed dearly. My thoughts and prayers are with you all and I hope that you will find comfort and healing during this difficult time. Romie has been a very good friend since our high school days at St. Mary's Seminary and then when we reconnected in Honolulu. Romie, Chito, and I loved hanging out a lot and remembering his jokes and sense of humor just makes us feel so fortunate to have spent fun memories together. The three of us used to call and greet each other on our birthdays as long as I can remember. In our younger years, we used to talk about our adventures but more recently we've compared how many medications we took and the aches and pains of being seniors. Romie is now in a better place and may he rest in peace. Until we meet again my friend!
