AUG 29, 1995 - FEB 17, 2025

Daniel Brady Dugan

Daniel was born to a loving family on August 29 1995. He is proceeded in death by his sister, Natalie Rebeca Martinez who died in 1991 and his step father Jose Refugio Aguilar who died in 2010.

Daniel is survived by his mother, Margaret Kelso Catone, and his brother Jose Gabriel Aguilar. Daniel was a kind loving creative young man. He loved music and enjoyed playing drums , piano and guitar in a local band. Daniel loved the outdoors. He loved to surf and hike .

Another one of Daniel's passions was traveling. In his brief lifetime, Daniel travelled through the continental US where he hiked and camped. He also had many travel adventures. Daniel loved world travel, and traveled to Thailand, Vietnam, Bali, and a variety of states in Australia . Although we are deeply saddened by the sudden death of our beloved Daniel, we are confident that we will meet him again one day and listen to him tell stories of travels and adventures of mysterious heavenly places unknown.

Too many to pick but going to just miss picking up the phone and venting to him and then getting some good advice afterwards. I really took that for granted :(. Knew him since high school (class of 2012)With Love, Manda Panda
