This is how I choose to remember you Peka! Full of life, always smiling, sneaking sweets, and looking for the next Bingo hall 😊 I remember when I took you hiking, we just started the hike and you said to me, girl Samoan people don't do hiking this some other people stuff 😂😂 (cleaned up version) but you did it to be supportive of me! In the end, we ended up eating up every calories we burned and then some! You are missed my Sister, but now you're with Jesus and the promise of seeing you again is that much sweeter!
