Aww I just found out that Dr. Ackerman passed away. I'm so sad to hear this. He was one of my favorite doctors. After my appointments we always continued on and chatted for 5 min or so about life and anything. He was so funny and easy to talk to that you kind of forget that you're still sitting in a doctor's office. Dr. Ackerman was an awesome dermatologist. He seemed so interesting and always said how much he loved skiing. I hope he was able to ski some before he passed. I will miss him.
