I had the pleasure of working with Mike at Aulani and various events. One special time I will always remember was when he took time to meet me at the parking at Aulani with his cart. I had hurt my knee and shoulder and forgot my wheel buggy for my bass. I wouldn't have been able to make it if it wasn't for him. I will miss his greeting before work as well as his goodnight send off with his embrace. Rest in peace brother! Chris and Ranette Kamaka
