My greatness memory of my sweet aunty was she was always there when I needed her growing up. She and my uncle would pick me up every weekend from palolo valley for 2 years. How I waited for them and they ALWAYS came. I will miss you dearly my aunty with the golden heart. Now you are an angle with the love of your life. Love you forever 🥹🥹🥹🌹🌹 Your Niece Cheryl

My most recent favorite memory was when you came and surprised me with edible arrangements for my 28th birthday. I was at the park with the kids and you called me because I wasn't home to come and surprise me. I'll never forget that day. You always made me feel so loved and so special. Thank you for always loving my children, and always being a phone call away. I'll miss celebrating every milestone with you... my home, my safe place, my peace. I love you and I miss you forever ❤️👍

My grandma... what can I say but I love you and I miss you so much. My house feels empty without you here, but I know you're with papa again ❤️. I always love you and you'll always be apart of me wherever I go ♥️. Please continue to watch and guide me.
