## Celebrating the Journey of Virginia Pascua Padilla October 6th, 1949 – February 3rd, 2026

“A Wonderful Woman who Loved to Travel”

Today we celebrate the beautiful life of **Virginia Pascua Padilla**. Her journey, filled with energy and discovery, stretched from **October 6th, 1949** to **February 3rd, 2026**.

Born in **Cagayan, Philippines**, Virginia carried the spirit of her homeland wherever she went. She later made **Honolulu, Hawaii** her home, where she peacefully completed her remarkable story.

Virginia’s heart beat fastest when she was on the move. She explored **Japan, Taiwan, Korea, the Philippines, Las Vegas, Los Angeles, and Canada**, and never missed a chance to feel the magic of **Disneyland and Disney World**.

Her drive showed in the workplace too. She was a Assistant Manager with the **Salvation Army**, bringing her steady focus to every task.

Friends and family will remember her as **supportive, generous, compassionate, and hardworking**. These traits shaped every choice she made and every hand she held.

Virginia now reunites with her late husband, **Guillermo Padilla**. She leaves bright memories with her daughters **Sharon (Herbert) Padilla-Hu** and **Jenny (Philip) Padilla-Lee**, and with her grandchildren **Kaitlyn Lee, Donovan Hu, and Logan Lee**. Siblings **Larina Galla, Amante Galla, Andres Galla, Wilfredo Galla, and Fernando Galla** also celebrate the bond they shared with her.

We carry her memory forward, thankful for every mile and moment Virginia shared with us.
