## Celebrating the Life of Donald "Chip" K. Martin, II November 17th, 1967 – February 9th, 2026

We gather to celebrate the beautiful life of Donald K. Martin, II, warmly known as Chip. Born on November 17th, 1967 in Honolulu, Hawaii, he filled 58 years with energy, kindness, and steady purpose.

Chip found great joy in his work as a Project Manager in the construction world. He loved seeing a plan come together and took pride in guiding each project to the finish line with skill and steady calm.

Away from the job site, Chip's happiest hours were spent out fishing or simply hanging out with family and friends. His sisters, Lisa Martin and Heather Beal, remember countless relaxed evenings marked by laughter and easy conversation.

Above all, Chip will be remembered for one clear trait: he was kind. That kindness lives on in every person who shared a boat, a backyard chair, or a work project with him.

Today we choose to smile, trade stories, and keep his spirit close. By carrying forward his steady kindness, we honor Chip in the most fitting way.

Deepest Condolences to the Martin Family, I was a friend in High School, we used to cut class, drink Heiken beer, smoke cigs / da kind, and generally have fun in the 80's, man we used to have fun driving that orange MG listening to Motley Crue/Van Halen we wore that Casette deck out, your British Mom was so kind with all her dogs, and Richard Dodge lived right around the corner, I lived in Iraoise Point then moved back to the mainland, lost contact when life Happens, was stationed in Schofield Barracks in 1999, went to your House in Ewa Beach but your family had moved. So Sorry to hear this.....RIP Chris Kounter
