I dont have any pictures of us only memories, millions of memories growing up we did everything together. Buddie Boy you were my big brother(although we are cousins)and my best friend growing up. I love you give my aunty the biggest hug for me and let her know I think of her everyday. I miss you Bud. Oh and ive only told my wife this but thank you for teaching me how to use my bugers as makapiapia so uncle David believed I took a nap and could go play. I love you.
