I remember when you came to the states to show our family your business you were affiliated with. It was the first time remember meeting you, you were kind, bold, and funny. I will never forget that brief time we shared, for the physical has passed, but the memories and times we all had with you we all will never forget. Thank you for being a great grandmother, aunt, friend, person. Our whole family will continue to grow, but will always remember the joy you brought to us, and all the memories that we will look back at, only to smile and be thankful that we had someone like you in our life. R.I.P Aunty Conchit, we will all meet again when the time comes. 27 25 palm street 16613281226Nephew###imported-begin##Sonny Jae Santos###imported-end##
