Dear Mrs. & MR. Pinera And Family, I'm so Sorry for your lost of your son Mark Pinera. I just want to appologize for not being there for mark, because he was always there for me when things.. felt like the whole world just turn your back on you.. he would always call me.. id be the first person he would talk to.. he would just show up infront of my house knocking at the front door and he would always ask for me.. and everytime i see him he would always have that smile that smirk that he always makes with his face.. but in the end of the day i knew that he wasnt happy.. me and him we were very close he would tell me things that he couldnt say to anyone.. there this one night when me and him were together in my house.. i remember this like it was yesterday.. he told me that he cause so much pain and misery to his family and that he really was sorry and he ask me like would they ever forgive me for the things i've done.. and he would laugh it out like what ever man.. i would laugh it off with him you know cause he would always joke around about it...Me, Mark, Nick, And gringo were like brothers from the ground up.. Not knowing where life takes us..i really miss him.. i would trade everything just to hear him breathe and laugh again.."The hardest thing about the end is to start a new beggining""Sometimes life could leave us blind"From a friend of your son and brother, Remor A Paculba. 3925 cambridge st apt # 4 702-782-3028Close Friend And Family##imported-begin##Remor Paculba##imported-end##

Mark was a great loyal friend of mine. He was the type that keeps things to himself. Never really told us the think he was going thought but I knew he needed help. I help as much as I could. I was devastated when I found out that mark was no longer with us. I just wanted to say that Mark was a good n kine person, its just that he chose to make wrong decisions. He will be forever be loved and miss.
