I sure wish things could have been different and we could have had more time together. There's not a day that passes that I don't think about Grandma Dolly and Papa and what could have been. Your grandsons turned out to be fine young men. I just wish you could have met all their children. You will always be in my heart. All my Love to everyone that has to wait to join you in Heaven.

I love you Aunty Dolly, you will be missed. I know you now have a chance to visit Dad and Uncles. I will always remember sitting in the your kitchen and how Uncle Bill taught me how to do the Origami Crane and you kept telling him to take it easy on me because he taught me with a flimsy kitchen napkin. Also how you and Uncle John came to to the airport when I came to Hawaii for band, as as we were leaving, you gave me a bag of 40 Portuguese Sausage :). No more pain anymore Aunty, nothing but peace. I know you will be watching over everyone and smiling. We may have lost you here, but God gained another angel, and I feel better knowing that you are watching over all of us. Love you very much Aunty. N38W6790 Wilson St. 262-353-5281Niece##imported-begin##Cynthia K. Samera##imported-end##

Honey, I just wish I could have spent more time with you, as I never got to say aloha. You always treated me like a daughter when I was living with you & Uncle John, for which I'll always be grateful. I think what I'll miss the most is sitting around the kitchen table after breakfast or dinner, drinking coffee and talking story. Thank you for being a special person in my life and give Daddy a big kiss & hug for me when you see him. Luv U Aunty P.s. - Your tripe stew was the best I ever had, even though you didn't care to eat it at all!
