I worked with Jimmy for many years at Hawaiian Airlines. He was a very intelligent and caring person. At times he was like a father figure to me always willing to listen, be supportive and offer advice when needed. He will be greatly missed and I will always have fond memories of him. My condolences go out to his family and may god bless you all. Coworker/Friend###imported-begin###Eve Souza###imported-end###

I met Jimmy & a bunch of other local bradda's in san diego, navy boot camp. He always smiled, no matter what we all had to endure while in training. One of our shipmate's, Bobby Tibayan also passed away back in 1997. Can't remember where Jimmy went after boot camp. I ran into him a couple of time's back in the day. Please accept our condolences. I got to know Jim during my dawn patrol times with the morning Walls gang. Always enjoyed talking with him. Most of us were there more for the exercise versus to ride the best wave...so the environment was very friendly. I will always remember his favorite words, "That wave looks like too much work, I'll wait for the one that has more power so I no need paddle too much." We miss you Jim! 567 S King St, Ste 200 Hon 96813 8085236244 Bodyboard friend###imported-begin###Kalani Fronda###imported-end##
