To "let go" is a difficult thing to do...for someone going away and will be gone forever. But for everything there is a reason, and according to Divine Plan, it's time for Sister Cencia to really go home...to her final destination: Eternal Life. We mourn her passing, but we rejoice that where she's going there is no more sadness, suffering and pain. In one way or another, our lives here on Earth were touched by hers, and we were so fortunatePraise be to God Almighty! And comfort to her bereaved family.
