I briefly met Walter when he retired and General Printing was making the transition to new ownership. In the years following, I've heard many stories about his character - his loyalty and devotion to his employees and to his customers. My coworkers, who had the privilege to work under him couldn't praise him enough. I'm sure he will be missed by many. I wish I had known him. 706 Keolu Drive, Kailua, HI 96734 262-1935Acquaintance###imported-begin###Scott Tome###imported-end###

We were so saddened to hear of Walter's passing. He was a larger-than-life figure that WAS the printing industry to us back when we started in the 1970s. We will always remember his hands-on approach in the press room, the fun lunches and after-work bull sessions. And we were always delighted when we got some Soares-caught salmon as a gift. Doing the best job possible was his priority. It is a value and work ethic that we carry to this day. He will be greatly missed. 1823A Tenth Avenue 808.735.6662friends & colleagues###imported-begin###Carole Goodson & Roger Yu###imported-end###
