Not how did he die, but how did he live. Not what did he gain, but what did he give. These are the units to measure the worth of a man as a man, regardless of birth. He taught us love and how to fight, He gave us strength, and gave us might. A stronger person would be hard to find, And in his heart, he was always kind. For all of us he gave his best, Now the time has come for him to rest. So go in peace, he's earned his sleep, his love in our hearts, we'll eternally keep 14699 Antilles dr Moreno Valley Ca 92553 951-640-6981 God Daughter ##imported-begin## Vanessa Noriega ##imported-end##

Uncle George, May you always ride with the wind. Remembering the times we rode together (I rode with Kahu Jacob), the big hearted man you were, the fun we had. Sharon, May you be blessed and comforted knowing that Uncle George will be watching over you. God bless you and the ohana. Memories Made...with good people. P. O.
