Dear cousin (sis) Gay, I'm really going to miss you, we grew like sisters, back in the day we had so much fun, not to mention at mcgrew camp with Joy, we laughed together, we argued but that was all good, also, breakfast at Denny's shopping at Ross, I could go on and on, but Gay you are in a better place now, with my beloved sister Bev, your mom, and the rest of the family that God called home, so until we meet in heaven aloha, forever in our hearts. My Dear Cousin Gay, I will truly miss you, I already do. Our conversations were always a joy and took me home on those days that I was missing it so much. Although you're in heaven now, I know that you'll still be looking out for all of us as you always did and I'm sure Antie Mary and my Mom were there to welcome you with open arms. You blessed our lives in ways you'll never know, the love you so generously shared will stay with me until we meet in heaven. Your "Aloha" always made me smile even when you'd say "you sound so haoli" when I said it to you. I'm going to miss having you as my touch stone to "home". As you always blessed me, may God bless and keep you. Aloha and I love you. San 6870 Baywood Cove Millington, TN 38053 901-359-4534cousin##imported-begin##Sandra Mercado##imported-end##

Gay, You were truly an angel on earth. You were such a devoted stepdaughter to my dad. You faithfully went to feed him every day and attended to his needs. I truly appreciated everything that you did for Dad, May God Bless and comfort your family. We will keep them all in our prayers. I know that you will truly be missed by all. God needed another angel and he called you home. May you rest in peace. Love, Slamma and Theresa 310 Coghlan St. Vallejo, Ca. 94590

My favorite....everything. I always felt the need to protect you when in reality you were always there protecting me. I always wanted to take care of you, but you always beat me to it and took care of me. Auntie Gay, I hope you know how much you were loved, how much you meant to me and my family. You were there as a second mom to me and then like a grandmother to my kids. I always felt so blessed to have you be there with me for my children from the day we brought them home from the hospital. You spoiled all of us rotten. We miss you so much. You will forever be in our hearts, never forgotten. Until we meet again...make sure you save me one good spot! I love you auntie! My beloved sister Gay, You surely lived and eventful life! You have loved, have been loved, and forever will be loved. You must be happy now that you have joined our beloved mother who you missed so dearly. You dedicated your life to being an irreplaceable and loving homemaker and caregiver to our parents, my children and grand children who were like you very own. You always had this silliness about you made everyone around you feel comfortable to be themselves. You never failed to make us laugh and sometimes so hard that we would end up crying. We've made so many memories together and I feel blessed that we were able to do so. You may not physically be here with me now but I find comfort in knowing that I can always count on you to show me the way. Rest in peace my darling sister. I love you and God Bless you. 48-453 Kam Hwy - Kaneohe, HI 96744

Auntie Gay, you were always very special to me from the first time I met you back in 1984 and in 1985. You were so excited to finally see your brother Tom and his family. We were so blessed to finally see you too. Although we lived oceans apart, you and I were close in our own way. I remember when we discovered that our handwriting was the same and we had many same likes as well. I wish we had more times to share but the little time we did was a blessing and I will cherish always. I am so very proud that you and my dad are brother and sister and I know we will see you again in heaven. God bless you Auntie Gay and I will always love you. I am very blessed that I met my sister back in 1984 and also in 1985 when she spent a week with me and my family here in California. Although we did not know each other until we were adults, the love was there and we had a lot to share about each other's likes and dislikes. Gay and I have the same eyes and after she returned to Hawaii, we kept in contact often. I will truly miss my sister and my heart goes out to my brother Pat and their family. May Gay rest in peace and we will see each other again. Love you sis.
