Aloha,I had Kollin as a student briefly when he was a freshman at Kalaheo. He was honest and forthright and fun-loving. His picture brings back memories. When I met him again later, I felt he was becoming a fine young man. I am very saddened to hear of your loss. Please accept my sincere condolences.##imported-begin##Theresa##imported-end##

Oh Ken, I am so sorry. So sorry this had to happen. Since I moved back to the mainland I have lost touch with you my brother. I often search the news in Hawaii on the internet and that is how I found out about Kollin. I am so shocked and heart broken about what happened to him. I have been crying my eyes out thinking about him. Kollin's picture on the internet brought back so many memories of him. What a wonderful person he was. Always making us laugh, always cheerful. I don't ever remember seeing Kollin ever in a bad mood. That was Kollin. Myself and many others will never forget him. Some of the best memories of my life were spent with you and your family riding our jetskis every weekend. The many BBQs you had at your place were really great times that I will never forget. Thank you so much for all you and your family have done for me. I know you are hurting, my brother I am in great pain too. I know there is nothing I can do to take away your pain. Please stay strong my friend. Please give Jenell, Zack, Cameron, Domonic and the rest of your family and friends my deepest condolences. I love you my brother, you have always been a great friend to me. I WILL NEVER FORGET KOLLIN ELDERTS! your friend Alex 29431 Middleborough Way Hayward CA 94544 510-467-8193 FRIEND##imported-begin##Alex Saldivar##imported-end##

Kollin will always be "mouse" to me. Mouse usually would be used to describe something small. While he was small in stature but was the exact OPPOSITE in spirit. Mouse had this laugh that just made you want to laugh too...even when you didn't know what you were laughing at. His smile did the same. I don't think I ever saw him without that kolohe smile. He was the kind of person who touches your heart no matter how briefly you knew him and no matter how long it had been since you saw him. The services today were beautiful, and how fitting for him to be the one who brought so many together after so long today. After the tears dry, the drinks run out and the years pass, our memories of him and that GIANT heart will be what carries us through until we meet again. He was, (and I hope he REMAINS WITH US as) the life of the party. We'll miss you, Mouse. 46-155 Humu Place (808) 8529809Friend###imported-begin##Shaina###imported-end##

I didn't know Kollin as well as other people but like everyone else I was shocked to hear of his passing so suddenly. ã,ã Mouse had one of the best laughs that would make everyone else follow in with laughing also. ã,ã He was a supportive friend that would attend numerous gigs Josh (Marumoto) had. ã,ã Sometimes Mouse would keep me company or check on me while Josh was playing since I didn't know anyone. It really showed what kind of a person he was to show aloha to someone he didnt know. He was a really unique person that could stand out of the crowd but also have people gravitate to him. ã,ã Prayers go out to everyone hurting from this tragedy. ã,ã Kollin will be missed by many. ã,ã His spirit and memories will be carried with his family, friends, and all those Kailua boys :) God blessã,ã ##imported-begin##Kau'i Aiwahi##imported-end##

We heard his name in the news and wasn't sure who he was, until we seen his nickname and seen that smiling face. "Mouse" went to High School with our son Chris at Kalaheo. You wouldn't think that for us knowing a high school kid for 3 years that it wouldn't affect us like it has. As we heard of the tragic news our hearts genuinely broke. He was so full of life and brought a smile to everyone he met. He always had time to give a smile or make you laugh. We were touched by an angel in those days at kalaheo, but we just didnt know it yet. Our hearts are with you in your time of loss. We hope that Kollen "Our Mouse" was loved not only in Hawaii, but from many people around the country. God Bless You and your Family and find comfort in knowing that Kollen's is sitting at the right hand of our Lord.
