hi mom, miss and love you, wish i could talk with you one more time. appreciate all you've done and stood for in all our lives. wish you could meet your youngest of great grand kids, you'd love'em and want to spoil'em. so much has happened, you missed so much in over the ten years you've been in the hospital. hope one day to see and be with you on the other side. just to see your smile, hear your laugh, to talk with us, to get-together for a super dinner, even to celebrate xmas, new year's and especially thanksgiving. may you now rest in peace, no more suffering. we'll always remember, and love you, keep you in our hearts. much love always, me babe 91-1011 hamana st 808-681-4242daughter##imported-begin##frances soares##imported-end##
