With deepest sympathy on the passing of our friend "Pepe". I sit here remembering the "good old Kahuku days" of camp life and talking with Pepe about Manoy Zoilo's game birds. Pepe always made those around him laugh ... always had something funny to say. Before moving to Maui, my son Ka'oi(then 4-now 42)was refered to by Pepe as "Gum Man" because he would always seek out Pepe for gum, which he had waiting for him. It has been years, but I am truly sorry to read of his passing. God bless you and yours, Geri, during this sad time. Please accept our deep-felt sympathy on the passing of Uncle Phillip. He was so proud of his family ... children, grandchildren and great-grandchildren. His eyes lit up everytime he talked about their achievements in everything big and small. In this hour of sorrow, remember you all gave him so much memories to be proud of. We all will miss him too. Aunty Geri ... you were his pillar, support and friend. Don't forget that.
