My Mom, the rock that the family was built upon. The strength of goliath, but the gentleness of a butterfly that gracefully floats across the sky. A one woman man who loved her man no matter what. A heart so big that she always had a baby in the house. She traveled the world, but always home was Hawaii. A beauty queen who shared her inner beauty of her soul with us, the lucky ones. A woman who stood by her Dad and Mom till it hurt. I know our Angel Mom will always watch over us, because love never dies. Fly Free, No More Pain, Only Love. P.O.
