So me and my kids are going there tonight. I asked her if she was gonna drink beer but she's not sure cause her dad. I told never mind her dad cause she is legal now..anyways if she does have a few drinks watch over her. We played payout (cards) last week Saturday at your house and it's so not the same. We really miss you, even Whitney was there playing with us. Hi Grandma, Just wanting to stop by and say that we miss you very much and let you know that things are not the same without you. At times I wish I could call and talk to you, I find myself reaching for my phone to call you and have to remind myself that I can't do that anymore. The kids and I miss you very much. We've been spending a lot of time together as a family, you did bring this family together, which is something you loved, you loved having us together. My kids are always talking about you, and Ryden keeps reminding Rysen of you so that he doesn't forget you. I asked Ryden if he would forget you, and he said that's "impossible"... The memories you've made with each and everyone of us will be in our hearts forever...I wish I could just hear your voice one more time, even if it's in my dreams, even if only for a little while, please come visit me... Talk back when I'm talking to you or something... PLEASE!!! We miss you very much... Love you always...Love, Nikki, Ryden, & Rysen##imported-begin##Nicole Dacosin##imported-end##

Hi Mommy, Oh my gosh, I miss you so much. Every night around 8:00 I go on my porch to smoke a cigarette and wonder who can I call. I'm so lost cause that's when I called you to get the daily scoops. So now I call Josie sometimes but it's not the same. The family is trying to cope with you not being here. We really miss you so much. The grandkids really miss you too. Although most of the boys are still young yet, Ryden understands and he often cries for you. Daddy really misses you. Oh my, I'm so sad for him. He sometimes looks lost without you when he has down time, you know when he usually is making you something to eat, or getting you a glass of water, or even running to Times to get you a sugar free pie or something. Even Ryanne hardly notices papa going into the store to pick you up stuff. Krissie is doing fine and so is Blaze. Braeden on the other hand is something else. Gosh, he is so naughty. We go to visit you a lot...every Sunday and 2 to 3 times on the week day. Braeden always says "I no Nike (like) go see Papa Penny...I twy (cry)" I laugh cause I said if Gramma Penny heard you she would say "ahhh shut up". Just for the record I do correct him and say it's Gramma Penny. We often talk about the things you used to say or do and we all crack up laughing. I miss you so much Mommy. I know I took you for granted and didn't imagine not having you here with us. So, with that Thank You for everything you did for me and my family. I know you will always look down upon us and please keep us safe. You will forever be in my heart..I love you MOMMY and I miss you so much..You will forever be surrounded with our love..Jiminette, Whitney, Krissie, Blaze & Braeden...##imported-begin##Jiminette##imported-end##

Dear Sweet Aunty you are truly missed, one of a kind that no one could replace, I remember back in the days where you guys would play cards up house or your house and it would go on at least 3 days long good times spent I also remember several conversations we had where you were concerned about the family and wanted to catch up on how everyone was doing I do remember every time I made a visit either you were outside or inside the house you would always say who's that I said Kahea you said who I go Kahea in a louder voice then you said oh how you come, come in or have a seat if you were outside then you would say Pinky your mother and Nellie your grandma I said yes I knew if I made several attempts to visit you, you would remember who I was and you did I enjoyed carrying on conversations with you about our families and who would that kid belong to, that was the funniest, I know, I know there were too much kids coming into this world and it will carry on as usual just wanted to share some memories here and say that we love you until we meet again R.I.P Aunty Penny!!!##imported-begin##Kahea##imported-end##
