Rodel and family, It would be nice if everyday was the best day of our life and nothing bad ever happened. But, we can not have an abundance without having troubles to go with them. I will always remember watching boxing with you and your dad. Your dad always had a loving and positive outlook on life. Rodel, those traits rubbed off on you and I know that they will help you overcome things that others can not. Your family is in our prayers, Doug Hill and family##imported-begin##Doug Hill##imported-end##
