Sincere condolences for the sudden loss of Ricky. I'm a dear cousin.. my last memories of you are good ones that only Ricky was capable of. I remember well, when he was little and SO proud when he learned his name Ricky KAZUTO, he announced. Brings a smile to reflect on his antics throughout his short life. He did live life to the fullest in many ways and leaves me with the memory of finding him as he was lost at McCarran airport finally answering to Fred Flinstone found! wanting to get to his sister Raz home but didn't know where she lived! only you Ricky Boy!!!! Rest in peace,.. no more pain travel everywhere in spirit!##imported-begin##Patty Chang##imported-end##

No words can express your feelings, when you receive news about someone passing. Thoughts go through your head over and over thinking about what if I did this or if I only did that. There are alot of things you wish could have happened or would have been. You can only hope he accomplished everything he wanted to throughout his life and touched the lives of everyone he came into contract with. Although he was taken too soon he will truly be missed by many. We all have our own memories of Uncle Ricky which we will hold dear to our hearts and never forget. My heart goes out to my cousins...Daylyn, Davyne, Dale, Des'ree and Daeja. I can only imagine how devastating it is to lose a parent and if there is anything we can do, please don't hesitate to ask. We love you and may God take you all under his wings and guide you through this rough time. Our deepest sympathy to the Suzuki Family.##imported-begin##Nadine Lopeti##imported-end##
