I just found out about Jeanette's passing. I am so sorry for your loss. She was indeed a very special lady. Jeanette loved her dogs. I knew she was having more problems the last time I talked to her. She would repeat her-self a lot and the memory wasn't like it used to be. Well Jeanette is now with David and is no longer suffering. I just wanted to let you know she will be missed. She reminded me so much of my own mother. My mom is still alive but it goes to show you, we can all go at any given time. We just never know when that will be. I wouldn't want to know any how, that would be scary. Please take care and God bless you folks.
