Thank you Di for all your help and assitance over the years. How reesnrhifg it is to know that there is someone out there who can be relied upon for honesty, integrity and expert knowledge in such a statically large breed. I still get numerous enquiries for puppies even tho'it is 3 years since my last litter and I always refer people to the Wylanbriar site because I know that with you they are in safe hands.I am looking forward to bringing my bitch to the very handsome Tom in a few weeks time and fingers crossed having a litter of the consistently quality pups that your studs have always thrown for me.Thank you again Di and keep up the good work.##imported-begin##ChillinwithTeacher##imported-end##
