Dear Mrs. Bolton and Family, Mr. Bolton was one of the nicest and most gentlemanly folks I ever met/worked with. I missed him when he left MNC but there would be no Sand Island Facility without Him and his expertise. He was respected by all his peers and loved by all who worked with him. My prayers to you and your Family.##imported-begin##john robinette##imported-end##

Dear Mrs. Bolton and Family, My father and Mr. Bolton were good friends back in their Matson days - my father was Capt. Franklyn W. Gager. I will always be so grateful to Mr. Bolton for doing the eulogy at my father's services back in 1981 and for the comfort he provided us. And also helping us with all the arrangements to have my dad taken on a ship back to the sea he loved so much. Both of these fine gentlemen shared a love for the sea. May your memories and knowing many people share in your grief provide comfort in the days ahead. Aloha, Linda Oba##imported-begin##Linda G. Oba##imported-end##

Dear Bolton Family: I wanted to send my condolences to your family on your loss. Death is something that pains us all, I'd like to share this encouraging scripture with the family; Rev. 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. - I hope you'll find comfort in this scripture.##imported-begin##Tiffani##imported-end##
