I will always remember my Grandma for her Immense LOVE for my Grandpa and our Family. She was always so generous and kind to my brother and I, I will forever be grateful for the strong willed woman that she was as I know she has helped define who I am today! Although I will miss her, I am Thankful and Blessed to have shared so many years with her! She lived an extraordinary life and is a truly amazing woman, mother, grandmother and great Grandmother. I love you Grandma, may you look down upon all of us with your infectious smile and be at peace with our Heavenly Father and with Grandpa :-)Forever my love, Shelly##imported-begin##Shelly Panzarella##imported-end##
