It's been years since I worked with Judy at KMC. She was always so kind and someone that I thoroughly enjoyed stopping by to visit. I was saddened to hear of her passing. The last time I saw her was in Wahiawa with her mom at one of the local eating places. She looked as I remembered her...smiling and friendly. I will surely miss her.###imported-begin##Stacie Sasagawa###imported-end##

My deepest condolences to the Hasebe family. I worked with Mrs. Cheatham in the dietary dept. as a food service worker then cashier from 1991 until she left. The last time I saw her was at a craft fair where I was helping out a company. It was a joy working with her...she was so nice. My heartfelt sympathy, peace be with you all & God Bless. Aloha, Sorry to hear about the passing of your sister Judy. While reading this obituary, I took notice of the family members listed. One name that stood out was Charlene Hasebe. I remember you Charlene volunteering at Sunset Beach Elem. School back in the mid 70's. I worked there as the school Health Aide and we had many wonderful times together. I recall having meals with you on/off campus, giving you a ride home, etc. Eventually I moved with my family to Hilo and we continued to keep contact with each other. Sadly we lost contact. I hope that you get this message and e-mail me at this address. Aloha and take care - Marilyn##imported-begin##Marilyn Keane##imported-end##
