I was shocked to find about adele's passing. I had just talked to her a few weeks prior as she talked story of many of the activities she was into. She was so excited about he son's efforts to play college baseball, and all the work to get scouted and scholarships. She had cooked up a storm for thanksgiving, and how so many people came to her house. There was never a dull moment. I don't know how she could do so many things in so little time.I hope her husband and sons will become stronger and recover from this huge loss to their lives.I will truly miss seeing and talking to herron chock###imported-begin###ronald chock###imported-end##

Our hearts go out to John, Marcus, Matthew and the family in this hard time. She was a wonderful and warm person who we will always remember as a loving and hard working and dedicated person who was always at her sons baseball game. I have had the honor of knowing her and how hard she worked when she was our team mom for Saint Louis Baseball. We will truly miss her aloha and wonderful smile.##imported-begin##Garcia Family##imported-end##

It is with my deepest sympathy for the lost your sister "Peewee". We were good friends when we were younger (paddling canoe for Na Koa O Ke kai (Sammy Steamboat) watching her play volleyball at Pauoa gym (not far from the house), and just hanging out (even though she went to Roosevelt and I went to Kamehameha). She will be in my thoughts and prayers at mass this coming weekend as well as her family and friends.
